Once a diamond in the rough, this home has been magnificently transformed from top to bottom, inside and out! Situated on a desirable corner lot, this beautifully renovated 4-bedroom, 3-bath home features NEW finishes and upgrades throughout, including tile, quartz countertops, carpeting, LVP flooring, new interior doors, cabinetry, interior paint, appliances, windows, lighting and more. A standout feature is the lower-level bedroom and full bathroom located off the family room, complete with its own kitchenette and a closet with hookups for a stackable washer and dryer. This versatile space offers endless possibilities ideal for an au pair, extended family, guests, a private retreat, or potential mini-ADU-style living. Upstairs are three additional bedrooms and two full bathrooms, plus a second laundry area with hookups for a stackable unit with no hauling laundry up and down the stairs! The primary bedroom faces the front of the home and includes a beautifully updated en-suite bath, while the two additional bedrooms overlook the backyard they share an equally appealing guest bath. The transformation continues outside with fresh landscaping and a newly poured driveway, walkway and front porch. The spacious backyard is a blank canvas with room to dream.. RV parking? A pool? Maybe BOTH? Bring your imagination and create an outdoor space perfectly suited to your lifestyle. Turnkey, versatile and beautifully transformed, this property
